

“Ministry Is People”

The more people with whom you interact, the greater the scope of your ministry.

The more students you bring into your class, the greater impact you will have for the cause of Christ in your community, and on their eternity.

If you expect to get anything out of the Ministry, you run the risk of being sorely disappointed.

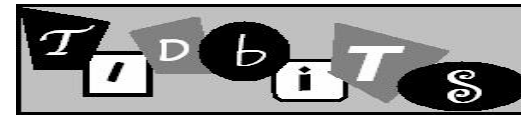

If you're looking to get something out of the Ministry, you need to get out of the Ministry. (Or repent.)

Ministry is not a give-and-take proposition, it is a give-and-give disposition.

People will only be as willing to follow you, as you are willing to go to them.

“A man that hath friends must show himself friendly;”
Proverbs 18:24

Your class will grow as you visit and minister to them.
