

ETERNITY

Infinite duration

- Is where God dwells
- Is imminent & infinite
- Is the point of no return
- Is the destination of man
- Is the peril of the ungodly
- Is the palace of the godly
- Is seldom considered
- Is often ignored
- Is frequently unexpected

1. It is hard to convince people to live today for eternity.
2. Most folks are living today to only secure tomorrow.
3. Everyone must live somewhere forever.
4. We must teach our students that this life is best spent in preparation for eternity.
5. When we live for present benefits rather than eternal rewards we are guilty of embezzling time.

There are periods in time that enable us to touch eternity.
