

COMMITMENT

An act of committing to a charge or trust, or an agreement or pledge to do something in the future

Commitment is healthiest when it's not without doubt, but in spite of doubt

"I have fought a good fight, I have finished my course, I have kept the faith." Paul the Apostle

- **The foundation** of commitment is Faith constrained by Love.
- **Commitment** is tested in the fire of adversity.
- **Every** commitment brings its legion of nay-sayers.
- **A commitment** is not changed by circumstance or time.
- **Pride** (selfishness) is the mortal enemy of commitment.
- **Pleasure-seekers** will shun commitment.
- **Everyone** is committed to someone - Self, Others, or God.
- **The depth** of your commitment to the things of God is a reflection of your commitment to God.

"Commit thy way unto the LORD; trust also in him; and he shall bring it to pass."

Psa 37:5
