

## FAITH

Firm belief in something for which there is no proof.

A trial of our faith always brings us to the point of faith.

Trials not handled in faith are bound to be repeated.

Doubt is a dead-end in the journey of faith.

Our faith is judged by every aspect of what we do.

Strong faith requires a strong relationship.

The strength of our faith reveals the depth of our relationship.

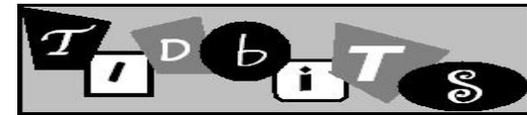

If your faith was on trial, would there be sufficient evidence to find you guilty?

***"But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him."*** - Heb 11:6

"When we retreat in the face of sacrifice, we have just found the limit of our faith."

"Margaret, are we saved from eternal damnation by the saving power of Jesus' blood, or not?"
