"I'll tell you why I left. Stateside young people have every opportunity to hear, and understand the Word of God in their own language. These Indians have no opportunity whatsoever...When there is that much ignorance here and so much knowledge and opportunity State-side, I have no question...why God sent me here. Whimpering State-side young people will wake up on Judgment Day condemned to worse fates than these demon-fearing Indians. Having a Bible, they were bored with it. These never even heard of such a thing as writing."

Jim Elliot - Martyr

"And ye shall **know** the **truth**, and the truth shall make you **free**."
